Fiddymment Farm Elementary ADDENDUM of General PTC Meeting Minutes

Date/Time: Thursday 1.23.25 at 6:30pm
 Location: FFE Multi-Purpose Room

De Subject: Clarification on new marquee

Following the discussion of purchasing a new marquee for the FFE, the following discussion, clarification, and decision was made after the meeting concluded:

- Most of the PTC Board had different understandings of whether or not the purchase of a new marquee was officially voted on. There was confusion about whether or not the marquee was a fundraising goal or an approved school improvement expense.
- It was clarified that the marquee was to be approved as a school improvement item, not part of the Step It Up fundraiser. The marquee is a 2024/2025 expense and the PTC would be using funds already earmarked for school improvements in this year's budget. A vote needed to happen because the budgeted amount was \$10k but actual cost would be closer to \$16k, not as an expense to be covered by fundraising.
- Because there were different understandings, the Board decided to schedule another General Meeting on March 31, 2025 at 6:30 pm in the FFE Multi-Purpose Room to communicate with the general PTC members and officially vote to spend \$16k for the marquee as a school improvement, not a fundraising goal.

Addendum prepared by: Donna Vivar, FFE PTC Co-Secretary and supported by all members of the PTC Board on March 11, 2025.
